SUMMARY

Computer Science Engineering student at COEB College with a strong interest in full stack development. Skilled in HTML, CSS, JavaScript, python, Django, MySQL, and MongoDB. Eager to apply technical skills, learn from real-world projects, and grow as a developer.

PROJECTS

News Aggregator

- Developed a News Aggregator website using HTML, CSS, JavaScript, and APIs to fetch and display real-time news from multiple sources. Implemented category-based filtering and a responsive layout for improved user experience.

Travel Planning Website

- Built a travel planning website using HTML, CSS, JavaScript, and Python to help users explore destinations and plan trips. Integrated APIs for location data and designed a responsive, user-friendly interface.

Quiz App

- Developed an interactive web-based quiz application using HTML, CSS, JavaScript, and Python with a MySQL backend to store and manage quiz questions. Implemented real-time scoring, user-specific result tracking, and a sharable quiz link feature, enabling others to participate and view their scores instant

EDUCATION

Bachelor of Technology   2022 - 2026
College of Engineering, Bhubaneswar

12TH 2019 — 2021
Laxmi Narayan Higher Secondary school, Jamsuli
CGPA : 7

CERTIFICATIONS
IBM Full Stack Python Developer Certification
Issued by IBM | Completed: 2025
Gained hands-on experience in building full-stack web applications using HTML, CSS, JavaScript, Bootstrap, React.js, Python, Django, MySQL, REST APIs, Git/GitHub, and Deployment tools.
